

Adding the ringtone to iTunes

1. Download, unzip and save the ringtone file to your computer.
2. Open up iTunes
3. Drag and drop the ringtone file onto the library sidebar at the top left of iTunes.
4. You should now see it in the ringtones section on the sidebar.

Sync ringtones with your iPhone

1. With your iPhone plugged in, it should appear on the devices menu on the left hand side. Click it.
2. Pick Ringtones from the tabs at the top, and make sure that Sync Ringtones is checked.
